Dec Highlights

"Please Join Us"

As we age, we might misplace our keys or forget the names of people we know. These forms of memory loss might lead to worries about cognitive decline and even the onset of diseases such as Alzheimer's and dementia.

Please join us for the challenge; January is International Brain Teaser Month.

Join us as we work together to stimulate our minds.

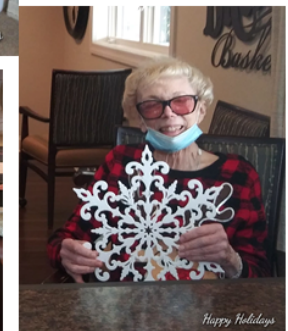

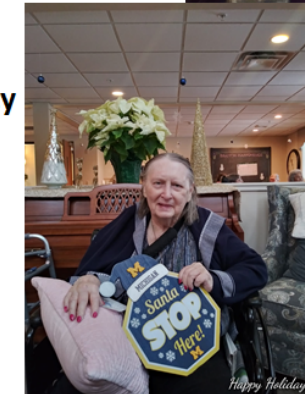

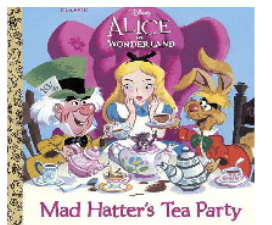

Mind Stimulating Games: Bingo, Card Games, Euchre, Jeopardy, Puzzle Fun and More!!!!
